## Invitation

Indian Institute of Technology Indore in association with Indian Geotechnical Society, Ujjain, Indore, Jabalpur, and Bhopal Chapter, extends a hearty invitation to Young Geotechnical Engineers under the age of 35 across the nation. We cordially invite you to participate in the 10<sup>th</sup> Indian Young Geotechnical Engineers' Conference (10IYGEC, 2025), scheduled to take place at the Indian Institute of Technology Indore from March 13<sup>th</sup> – 14<sup>th</sup>, 2025. This conference promises to be a significant platform for networking, knowledge exchange, and professional growth. We eagerly anticipate your valuable presence and contributions to this enriching event.

### About IGS Local Chapters

The Indian Geotechnical Society (IGS) is a highly esteemed professional organization dedicated to the advancement of Geotechnical Engineering in India. The Local Chapters of the Society were introduced in 1968, and at present, fifty-two (52) Local Chapters (Ujjain recently formed) are functional.

### About Civil Engineering, IIT Indore

Since its founding in 2016, the Department of Civil Engineering has been committed to leading the way in both basic and applied research with the goal of solving problems in the real world. Offering a comprehensive four-year program culminating in a bachelor's degree in Civil Engineering, M. Tech, as well as a PhD program, the department actively engages in sponsored research projects supported by various entities within the Government of India and global industries.

Faculty members are self-motivated and internationally experienced, boasting expertise across a spectrum of civil engineering disciplines including Geotechnical, Structural, Transportation, Water Resources, and Environmental Engineering. With a vision to become a leading academic centre nationally and globally, the Department of Civil Engineering emphasizes active industry engagement and seeks collaborations on both national and international levels.

### Call for paper themes

Young geotechnical professionals, both from industry and academia, as well as students below the age of 35 as of October 10<sup>th</sup>, 2024 (age proof required), are invited to submit abstracts not exceeding 250 words for the Tenth Indian Young Geotechnical Engineers Conference (10IYGEC 2025). Abstracts
